

Escrow Management Fees

Surrogacy

Stork Escrow charges a fee of \$1,500.00 to manage the distribution of funds in connection with a gestational surrogacy cycle.

Egg Donation

Stork Escrow charges a fee of \$400.00 to manage the distribution of funds in connection with an egg donation cycle.

Surrogacy and Egg Donation

Stork Escrow offers a discounted fee of \$1,600.00 for the management of funds for both egg donation cycles and surrogacy arrangements.

Stork Escrow is proud to participate in MHB's GPAP Program.

We also offer discounts to members of our military service and to our returning clients.

Our fees are neither related to, nor contingent upon, the amount of time the account is open.

About Us

Stork Escrow provides escrow management services for third-party assisted reproductive arrangements. We are devoted to ensuring that the funds needed for surrogacy and egg donation journeys are managed to the highest professional and ethical standards, but with personalized and compassionate service.

We offer:

Concierge-Level Service

Compassionate Customer Care

We are:

Bonded & Insured

You need the assurance that funds are being managed with the utmost respect for the people involved, and with the security and expertise we offer through the daily supervision of your account by experienced Reproductive Lawyers and a Certified Public Accountant.

Frequently Asked Questions

How do you verify whether something should be paid?

A reproductive lawyer will read through your agreement and identify expenses or payments to which the surrogate or egg donor are entitled, and any terms and conditions pertaining to those payments.

All compensation will be sent to the gestational surrogate or egg donor per the terms of the applicable agreement. Any questions about payments will be directed to the applicable agency, parent, or attorney for clarification prior to payment being issued.

How do agencies, surrogates and donors request reimbursements or payments?

Stork Escrow has forms available in its portal which may be submitted from any smartphone, tablet or computer.

However, monthly payments, including compensation payments due during a pregnancy will be sent automatically and do not need to be requested.

It is Stork Escrow's mission to provide you with the knowledge, security, and compassion that we have gained from 20 years of experience with third-party assisted reproduction.

You want to be focusing on the IVF cycle, the pregnancy, and your impending parenthood, not on whether a payment was sent and received by a certain date.

Let us take the stress out of this part of the process for you.

Having an independent fund manager will help ensure that people will not take advantage of you and that payments are made properly.

Frequently Asked Questions

How does Stork Escrow send payments?

Payments are sent via ACH direct deposit so that funds are electronically deposited within 24-48 hours.

There are no fees for this service.

How Do I Know What My Account Balance Is?

All financial information pertaining to your escrow account will be available to you 24/7 in our new custom, proprietary portal. You will be able to see your account balance and detailed information for all expenses paid as well as upcoming expenses and those which are being processed.

What If I Have a Question About a Payment or the Account?

We are here to help and support you and your donor or surrogate. We want to make sure you are comfortable throughout this process and thus offer hands-on, concierge-level service. If you have a question, send us an email to Team@StorkEscrow.com or call us Toll Free 888-865-7289 so we can personally assist you.
